Your health and well being is very important to us. We appreciate the confidence and trust that you have placed in us. Please read our policies and feel free to ask any questions.

Broken/Missed Appointments: We request at least 48 hours' notice before cancelling or rescheduling an appointment. That way, we have some time to try and care for another patient. We will allow ONE (1) rescheduled appointment per patient. If you do not show or call to reschedule an appointment, unfortunately we will not be able to reschedule your appointment. It is very important to schedule appointments that will fit into your schedule.

Confirmation Policy

If our office is unable to confirm your dental appointment verbally or electronically with you 24 hours prior to the appointment, we reserve the right to cancel your appointment and reappoint to another patient. Please be sure to keep us in mind when you change your phone, work or cellular phone numbers to avoid this situation.

Minor/Child Office and Treatment Policy

In our office, we ask that parent(s) stay in the reception area while we are treating your child. Experience has shown that children do much better with a "one-on-one" setting. We invite you to take a tour of our office if you would like. You will be asked to go back to the treatment area during your child's examinations, or if necessary, during any future visits. Please be assured that we will do everything possible to make your child's visits comfortable and enjoyable.

Financial Policy

In our office, we require payment of treatment prior to being seated. We still honor written previously arranged payment agreements with our patients. Your insurance company reserves the right to refuse payment for any treatment rendered, that you as the patient are then financially responsible for paying. We reserve the right to send any unpaid balances to a collections service at any time.

By signing below I verify that I completely understand, agree, and accept the policies outlined above. I further acknowledge that I am responsible for all dental services rendered me and my dependents (if applicable).
